[Despatch Abstract.]

The Dentists Act - Registration Tribunal - Scope of work - Papers Recorded.

Education and Public Health (G1).

Letter No. 30786 G1/49-3 P.H. dated 5-5-49.

To

The Secretary to the Government of India,
Ministry of Health,
New Delhi.

Sir,

The Dentists Act, 1948 - Registration Tribunal - Scope of its work.

Under section 32 of the Dentists Act, 1948, this Government have constituted a Registration Tribunal for the Madras Province for the purpose of preparing the first register of dentists. The Registration Tribunal has requested this Government to enlarge its scope of work, so as to include the Registration of Dental Mechanics also. In reply, the Tribunal is being informed that section 32 of the Dentists Act limits the scope of its work to the first preparation of the register of dentists, and that only the Provincial Dental Council can take up the work of maintaining the register of dental hygienists or the register of dental mechanics, after the council is constituted and if it is vested with the necessary powers under section 36 of the Act.

2. I am now to suggest that if the Government of India think fit, they may consider whether any alteration of the Dentists Act is necessary to provide for the maintenance of the register of dental hygienists and the register of dental mechanics also by the Registration Tribunal.

3. The Government of India's decision in the matter may be communicated to this Government in due course.

Yours faithfully,

Sd. x x x
